Did you know that Sell It Now LLC sells cars, trucks and motorcycles? While Sell It Now Store is SE Wisconsin's premiere auction services company selling to a worldwide audience, we are also classic car experts and successfully sell motor vehicles worldwide. We are fully insured, are an accredited member of the BBB and have been in business for nearly 18 years. We are WI licensed auctioneers and are a WI licensed auction house.

Our foreign market is the key to our success and includes overseas vehicle sales. Nearly half of the items we sell ship overseas to countries such as Australia, New Zealand, The UK, France, Germany, Italy, The Netherlands, Sweden, Switzerland, Austria, Japan, Taiwan, South Korea, Singapore and China, as well as many, many other countries worldwide.

We are one of the most flexible and successful solutions to sell your single classic car or vehicle collection. Automotive sales can be performed at auction or sold through a unique set sale / brokering process. We are certainly not the largest auction house specializing in motor vehicles. However, we do not charge a buyer premium and have a larger foreign buyer market than many of the others.

All sales include marketing to our list of past and current buyers, target marketing the vehicle to the various worldwide groups and clubs specific to the vehicle make, race enthusiasts and other traditional / internet based groups. The sales process includes 250-400 photos, multiple videos and a fully researched and accurate description / vehicle assessment. Below is a partial list of upcoming and recent motor vehicle sales:
